## **Burntsand Signs Large Contract for Microsoft SharePoint Implementation Services**

**Toronto, ON. March 1, 2010.** Burntsand Inc. (Burntsand) (TSX: BRT), a North American business consulting and technology services company, announced today the signing of a contract for a Microsoft Office SharePoint implementation totaling over \$400,000US. The customer is a large biotechnology located in the United States.

Burntsand has been engaged to provide services to implement a Corporate Intranet Portal on the Microsoft SharePoint platform as follows:

- Design and implementation of the corporate-wide portal;
- Integration with internal Line-of-Business systems;
- Enhancing the portal with Web 2.0 features;
- Enabling access and consumption of enterprise applications from this portal;
- Migrating content and taxonomy from existing portal to the new portal; and
- Building metrics reporting functionality for executive consumption

“We are pleased that Burntsand has been selected by this client to expand the services we provide across the spectrum of our core capabilities engaging each of our practices in optimizing the client’s business operations.” said Martin L. Glover, Burntsand CEO. “We were selected based upon our deep expertise and experience in SharePoint and our understanding of the biotechnology industry”, added Mr. Glover.
