

Burntsand Recognized in Microsoft Excellence Program

Toronto, ON. May 16, 2008 – Burntsand, Inc. (Burntsand) (TSX: BRT), a leading North American provider of Integrated Information Management Solutions, was featured yesterday in the Globe and Mail as part of Microsoft's Gold Certified Partner Excellence Program. The Microsoft Gold Certified Partner Excellence Program was established to recognize Canadian Microsoft Gold Certified Partners that have achieved four or more solution competencies in the Microsoft Partner Program. Burntsand has 5 Microsoft certified competencies and is nominated for Microsoft's Global Partner of the Year awards for 3 of them.

Burntsand has been a Microsoft Gold Certified partner for over 6 years and an early adopter of sophisticated Microsoft applications. Many organizations still rely heavily on a variety of manual information sources including paper documents. Burntsand's solutions allow distributed information access as well as extensibility, simple administration and interoperability. These solutions increase organizational productivity through integrated applications, information sharing, and content management. Burntsand's deep expertise in Microsoft .NET, SharePoint, and Dynamics CRM technology enable them to optimize the value of technology for their clients.

"Admission to Microsoft's Gold Certified Excellence Program is a recognition of our expertise at understanding, managing and successfully delivering complex integration and development projects on Microsoft's industry leading application platforms" said Marty Glover, Burntsand's CEO, "Burntsand's unique delivery methodology combined with competencies in Business Process and Integration Solutions, Custom Development Solutions, Data Management Solutions, Information Worker Solutions and Microsoft Business Solutions separates us as a Best in Class integrator in delivering optimized Time to Value on these platforms."
