

Burntsand Signs Contract for Exchange Support Services

Toronto, ON. September 23, 2008 – Burntsand, Inc. (Burntsand) (TSX: BRT), a leading North American provider of Integrated Information Management Solutions, today announced the signing of a contract for Microsoft Exchange and related messaging support services with a major health care client in Canada. The initial twelve month term of the contract expires March 31, 2009 and is valued at approximately \$439,000. Burntsand has provided the customer with an option to extend the term for an additional three year period which would increase the contract value to \$1.8 million. This new contract is in addition to a \$2.4 million three year contract for custom integration, infrastructure and ongoing support of a portal signed with the same customer in September 2006.

“This new contract is an expansion of our relationship with this healthcare client and is a reflection of the commitment of Burntsand to the Healthcare industry.” said Martin L. Glover, Burntsand CEO. “Our continued growth in this long term relationship is recognition of our focus on our customer’s success and the client’s trust in Burntsand.”
